

Nottingham Academy Secondary

Weekly Bulletin—Friday 17/01/2025

Highlights of the week

Year 7: Seeing the top 20 performing students take part in golden time activities during P5 on Thursday. The top 2 students from each tutor group who achieved 100% attendance, received 0 negative points, and had the highest positive points got to take part in some fun activities. This is an incentive that has been put in place for students to strive to achieve their maximum potential and students who are meeting the criteria are being rewarded each week for this.

Year 8: It is amazing to see our Year 8 students working hard and being awarded by receiving a phenomenal number of positive points this week. Huge congratulations to Adam A, Hayya S and Dalia A for achieving the most points within the year group this week!

Year 9: Our Year 9 students had a wonderful "Drop Down Day" on Wednesday in which they explored Healthy Relationships. This has reinforced the work they've been doing in Personal Development during tutor times.

Year 10: 20 of our Year 10 students all volunteered to help with the Year 11 Progress Evening on Thursday. It is amazing to see them supporting other year groups and they all played an important part of the process of parents evening!

Year 11: This week, Year 11 parents and carers attended Progress Evening. It was wonderful to meet so many parents and carers, working together to support our students' success. Thank you to everyone who attended for making it such a productive and positive evening.

Sixth Form: It was lovely speaking to prospective students during the Year 11 progress evening. Many students are keen to study Level 3 at Nottingham Academy Sixth Form and had lots of questions about studying at a higher level.

Student Stars of the past week
Well done! You will be entered for the
10 X £50 'Good Citizen' Raffle each Term.

Year 7: Kye - Anne S-W. This student has had the most positive points on class charts which is a fantastic achievement. This student is always polite and respectful to everyone around school, she has always got a smile on her face and is extremely supportive of others in her class. Keep up the good work Kye - Anne!

Year 8: Kelsie K for getting the most Golden Tickets this week within the year group. She is also a fantastic student and role model to others within the year group and the whole academy. Well done Kelsie!

Year 9: Sophie R is our star student this week! Sophie has collected the most positive points within the year group and has been seen around school being a model student! Well done Sophie, keep up the hard work!

Year 10: Zain S for having the greatest number of positive points within the year group this week, he has achieved 100% attendance and has 0 negatives. Keep up the hard work Zain!

Year 11: Edvin P, who has earned the most positive points this week within the year group! Edvin's hard work, positive attitude, and commitment to school values have been outstanding. Well done, Edvin, keep it up!

Sixth Form: Owais F has been working incredibly hard preparing for his university interviews to study Pharmacy. He has had two this week and has already received an offer from one of them. Well done Owais!

Mrs Elbaz — Executive Principal
Wishing you all a safe and restful weekend.

Upcoming events:

Year 7: Year 7 indoor sports hall athletics: Wednesday 22nd January 2025 at Becket School.

Year 7 Progress Evening is on Thursday 30th January 3.30pm - 6.30pm and will be held at the Year 7 site (Bridge). This is a great chance for you to meet your child's teachers and discuss the progress they have been making so far this year. It will allow you the opportunity to see what their attitude to learning is like and get an overall understanding as to how your child is settling into secondary school here at Nottingham Academy.

Year 8: Our focus next Wednesday and Thursday will be on Cyber Bullying. This is an area of concern which is causing anxiety and damaging the wellbeing amongst students.

Year 9: Next week we are having an assembly on The Importance of PHSE. We would really appreciate if you could support us in encouraging our young people to access the PHSE curriculum (which we refer to as Personal Development) so that they make the most of the opportunity.

Year 10: Year 10 students will be receiving their termly report next week and the Year 10 Progress Evening will be on Thursday 13th March 2025 from 3.30pm - 6.30pm which is fast approaching. We encourage all parents to attend.

Year 11: Starting on Monday 27th January, Year 11 students will begin their Pre-Public Examinations (PPEs), running for two weeks. These exams are a critical opportunity for students to prepare for their final exams, practice under exam conditions, and identify areas for improvement. Please encourage your child to stay focused and ask for support if needed.

Year 11 Careers Guidance Meetings:
This week, we've started our careers guidance meetings for students. Over the next few months, every student will have a one-to-one session with a careers advisor to discuss their future ambitions, careers and college/6th form applications. These sessions are an excellent way to explore options and plan for life after Nottingham Academy.

Sixth Form: Thursday 6th February 2025. Year 12 and Year 13 Progress Evening is taking place from 3.30pm to 6.30pm at the Sneinton Boulevard site. We are looking forward to welcoming parents/careers to discuss the progress of their son/daughter.

Whole School:

Please see below, the year group emails to ensure the relationship and communication between the home/school and your child, is monitored and actioned daily.
