

# ART & DESIGN

## Year 8

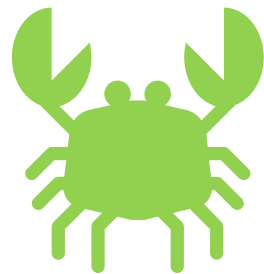

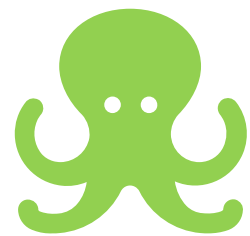

### How I'll be assessed...

- Formative:** Art History: Roy Lichtenstein
- Summative:** Illustrated Pop Art Cover

## Buildings and Architecture

In this topic, students will gain a working knowledge of one-point and two-point perspective. They will create architectural drawings showcasing both techniques and study relevant artists to produce final outcomes using watercolor and fine liner pens.

### How I'll be assessed...

- Formative:** Observational Studies
- Summative:** Creating your own pattern

Term  
1

## Illustration

In this topic, students will learn to design characters for illustration, drawing inspiration from the pop art movement and contemporary artists. They will create a range of images and design a comic strip storyboard.

Term  
2

### How I'll be assessed...

- Formative:** One Point Perspective
- Summative:** Two Point Perspective

Term  
3

## Under the sea

In this topic, students will explore various forms found under the sea. They will experiment with creating texture and mark making using different tools and techniques, culminating in the creation of a range of clay sculptures.
