

# ART & DESIGN

## Year 9

### How I'll be assessed...

- Formative:** Improve your TAG design
- Summative:** Creating a stencil design

## Photography

In this topic, students will explore photographic fragmentation skills in art. Inspired by the works of David Hockney, they will plan and create a variety of portraits using his techniques.

### How I'll be assessed...

- Formative:** Proportion and facial features
- Summative:** Artist inspired portrait.

Term  
1

## Graffiti Art

In this street art project, students will create a tag and explore the work of 'Daze.' They will learn about his background and style, analyze his work, and respond by creating their own street art piece. The lessons emphasize creative expression and foster an appreciation for contemporary art forms.

Term  
2

### How I'll be assessed...

- Formative:** Rules of third
- Summative:** Photography inspired portrait

Term  
3

## Portraiture

In this topic, students will explore portraits from various cultures around the world. They will plan and create mixed media artworks inspired by multiple artists, incorporating different techniques and styles into their own unique pieces.
