

ART & DESIGN

Year 10

How I'll be assessed...

- Formative:** Application of Materials
- Summative:** Final Response

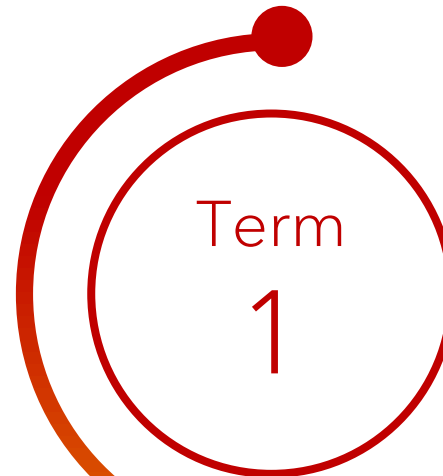

Component 1 – Project work

Component 1 serves as an introduction to the fundamental principles of visual language, materials, and techniques within art and design. Students engage with various media, honing their skills in observation and analysis while also learning effective methods for presenting their ideas.

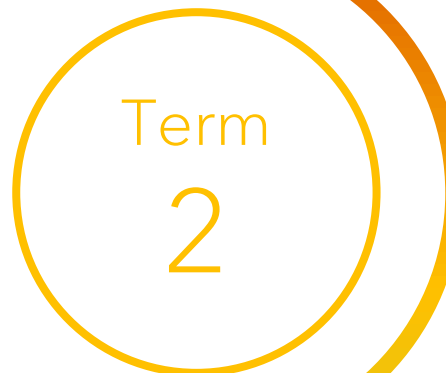

How I'll be assessed...

- Formative:** Research: Client Brief
- Summative:** Practical Mock Exam

Skills Development – Practicing with materials and processes

This unit aims to enhance students' proficiency in a wide range of artistic techniques, including drawing, painting, printmaking, sculpture, and mixed media. Through hands-on exercises, students will develop their skills while fostering critical thinking and problem-solving abilities. Encouraging students to take risks in their creative endeavors is a key focus of this unit.

How I'll be assessed...

- Formative:** Research: Client Brief
- Summative:** Submission: Component 1

Component 1 – Final outcome and presentation Preparation for Component 2 – Practicing with a brief/Skills development

Component 1 serves as an introduction to the fundamental principles of visual language, materials, and techniques used in art and design. Students delve into various media, refining their skills in observation and analysis, and mastering effective methods for presenting their ideas.
