

ART & DESIGN

Year 11

How I'll be assessed...

- Formative:** Research: Client Brief
- Summative:** Component 1: Submission

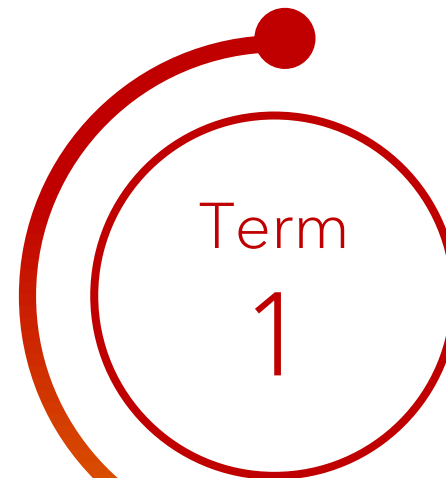

Mock Component 2 feedback and practice brief Component 2 – Responding to a client brief preparation, Activity 1 and 2

Component 2 entails a practical unit where students hone their abilities in responding to a brief, brainstorming ideas, and executing outcomes. Through exploration of diverse techniques and processes, they also cultivate skills in self-evaluation and critique of their own work and that of their peers.

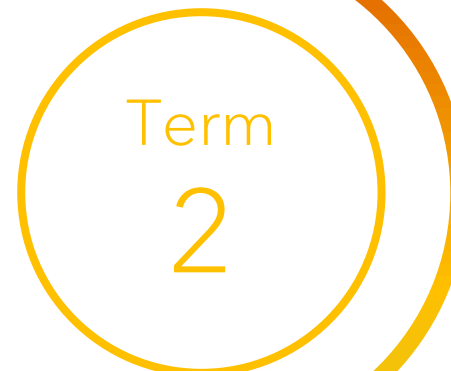

How I'll be assessed...

- Formative:** Portfolio
- Summative:** Component 2: Submission

Mock Component 1

Component 2 focuses on practical application, allowing students to develop their skills in responding to a brief, generating ideas, and producing outcomes. Through exploration of various techniques and processes, students learn to evaluate their own work as well as the work of others.

How I'll be assessed...

- Formative:** Development Review
- Summative:** Final Response

Component 2 – Responding to a client brief Activity 3 and 4

Component 3 functions as a practical unit where students further refine their abilities in responding to a brief, generating ideas, and delivering outcomes. Through exploration of various techniques and processes, they also acquire proficiency in self-assessment and critiquing the work of others.
