

PHOTOGRAPHY

Year 10

How I'll be assessed...

- Formative:** Understanding the camera
- Summative:** Composition development

Component 1 – Project work

During this phase, students will initiate the creation of a body of work centered around their chosen theme. They will address A01 criteria while producing artworks inspired by their selected artists, thereby establishing a foundation for their artistic exploration.

How I'll be assessed...

- Formative:** A03 Ideas
- Summative:** A04 Final outcome

Term
1

Developing techniques

Students will learn how to set up the studio effectively, utilizing cameras for documentation purposes. They will also explore techniques such as creating mind maps, mood boards, and annotating artist works to enhance their understanding and creative processes.

Term
2

How I'll be assessed...

- Formative:** A01 Artist
- Summative:** A02 Development

Term
3

Component 1 – Project work

Students will progress to A02 and A03 criteria, engaging in experimentation, exploration, and development of their artworks inspired by their chosen artist. This phase involves thorough observation recording to support the iterative process of their artistic development.
