

PHOTOGRAPHY

Year 11

How I'll be assessed...

- Formative:** A03 Ideas and insight
- Summative:** A04 Final outcome

Component 2- Examination.

During this extended period spanning 12 weeks, students will immerse themselves in the creative process, meticulously crafting a substantial body of work. Guided by a theme stipulated by the AQA exam board, they will delve deeply into exploration, experimentation, and artistic development. This timeframe allows for a thorough exploration of concepts, fostering the cultivation of ideas and the refinement of techniques.

How I'll be assessed...

- Formative:** A03 Idea and insight
- Summative:** A04 Final outcome examination

Term
1

Component 1 - Project work -A04

Students will advance their work on A02 and A03, focusing on experimentation, exploration, and idea development. They will create an outcome inspired by the work of their chosen artist to effectively realize their artistic intentions.

Term
2

How I'll be assessed...

- Formative:** A01 Artist
- Summative:** A02 Development

Component 2- Examination.

Students will engage in sustained artistic inquiry, synthesizing their observations, research, and personal insights to produce a cohesive and meaningful body of work that reflects their artistic journey and demonstrates proficiency in addressing the criteria outlined by the exam board.
