## Weekly Bulletin—Friday 13/06/2025

### Highlights of the week

**Year 7:** The highlight of the week was seeing the students in the Assembly with popular author Tamsin Winter! She came in and spoke about her career to date and explained her journey into becoming an author! Well done to all the students for listening and engaging with the content, you represented the academy with such maturity and pride.

**Year 8:** It was a pleasure to hear Christine and Agape giving their wonderful speeches in their English lesson on Racism. They both made a superb effort with a lot to say on the subject.

**Year 9:** It's been wonderful to see students coming back from their university trips with an inspired enjoyment. We hope this has shown our students the opportunities available in their futures if they wish to take the university route.

**Year 10:** We had another brilliant mock preparation assembly, and the students were very engaged, inspired and eager to start their mocks/PPEs from Monday 16<sup>th</sup> June 2025. We encourage students to revise hard with the techniques we have shared with them. Good luck all!

**Year 11:** Our teachers have been having lots of fun preparing for the Year 11 Leavers' Assembly on Monday 16<sup>th</sup> June after the Physics exam, and trust us, it's going to be brilliant! Students are to expect laughs, memories, and maybe a few happy tears too. We can't wait to give you the send-off you deserve!

**Sixth Form:** Our incredible Year 13 students have now completed week 4 of their official exams, showing lots of grit, focus and determination throughout this challenging period. One more week to go!

**Year 10:** Inamullah S who played in the recent Year 10 cricket tournament. We came joint first and he was the captain who inspired his team with fantastic leadership.

**Year 11:** To every single Year 11 student: we are unbelievably proud of how you've tackled your GCSE exams. You've shown maturity, determination, and impeccable behaviour throughout. Whatever happens on Results Day (Thursday 21<sup>st</sup> August), you all should know that you've done something amazing. We're proud beyond words.

**Sixth Form:** Samrah A who has been working super hard to secure a dental apprenticeship. She has a few interviews already and we think she would make a fantastic addition to any dental practice. Good luck Samrah.
