Highlights of the week

Year 7: The highlight of the week was seeing all the students who attended Alton towers having a joyful time. Every single one of you should be proud for firstly being selected, and secondly for the manner in which you conducted yourselves during the day. All students arrived on time for registration and behaved amazing during the day. All students then showed why they could be trusted when they arrived on time at the meet time in the afternoon. Well done to all of you - it was a great day and good to make some amazing memories that students will hopefully remember for a very long time!

Year 8: Year 8 students had a "drop-down day" where they were off their normal timetable for the day. We held sessions around the theme of relationships, and this was topped off with a live performance by Joel Foster. A special shout-out to all the wonderful Year 8 students and the fledgling Olympians we saw taking part in the Athletics Championships at the Harvey Hadden Stadium on Thursday. A huge well done to you all!

Year 9: We have seen so many students who have made great improvements in both behaviour and attainment. It's also been wonderful to see our students utilising lessons to revise for their upcoming PPE's (Mock Examinations). We wish all of our Year 9 students the very best as they sit their formal exams next week.

Year 10: This week the Year 10 students finished their PPE's. The attitude from our students were excellent throughout the entire series. The maturity, dedication and determination they have shown has been fantastic and all we can say is a huge well done to all our students.

Sixth Form: We have had such a busy yet enjoyable week in Sixth Form. We started the week with a fantastic trip to Alton Towers and then Year 12 visited the UCAS fair at Lincoln University along with an Open Day at Nottingham Trent University. Both events were very informative and provided a valuable insight into Higher Education options.
