Re: Nottingham Academy Sixth Form - Enrolment

Dear Parent/Carer

Thursday 20 August 2026 is a big day and marks the start of the next stage of your son/daughter's education. We are so excited to enrol students who have been successful in achieving our entry requirements.

Our entry requirements:

- 5 GCSEs at a grade 4 or above including GCSE Maths and English.
- There may be specific entry requirements for certain subjects, these are detailed in our online prospectus.

<https://www.nottinghamacademy.org/sixthform/courses>

If your son/daughter chooses to join Nottingham Academy Sixth Form, we will offer them a bespoke pathway combined with extracurricular and super curricular opportunities.

Our dedicated Sixth Form team is passionate about ensuring that every student is supported, challenged, and inspired to achieve their full potential. We look forward to welcoming your son/daughter and helping them make the most of their Sixth Form experience.

To confirm your place at Nottingham Academy Sixth Form, enrolment will be taking place at Sixth Form, Greenwood Road (old Primary entrance) on Thursday 3 September 2026 between 9.30am and 11.30am. Please come along with your GCSE qualifications and proof of identification to meet with the team and enrol onto your chosen subjects.

A reminder of the subjects we are hoping to offer is provided below. Students will select three subjects, choosing one subject from three of the option columns. We are pleased to announce that Applied Science will be on offer in September. Applied Science develops practical laboratory skills and scientific knowledge across biology, chemistry and physics, providing a strong foundation for university study and careers in science.

Block A	Block B	Block C	Block D
Chemistry	Art / Photography	IT	Biology
Psychology	Maths	Physics	Children's Care
History	Sociology	Criminology	Business Studies
Health & Social Care	A'Level PE		Sport
	Applied Science		English Literature
	Business Studies		

Please be aware that some subjects, including Criminology and Health & Social Care, are extremely popular and places are limited. Once a class reaches its maximum capacity, no further places will be available. If your son/daughter is considering a popular subject, we strongly recommend selecting a reserve choice in case their preferred option is unavailable. Where a subject is oversubscribed, priority may be given to students who have completed the Year 11-12 transitional work and who can demonstrate a genuine interest and commitment to the subject.

If enrolled successfully, your son/daughter will then start Sixth Form on **Monday 7 September 2026 at 10am.**

Bridging the Gap.....Year 11-12 transition

The jump from Level 2 to Level 3 learning is big. To ensure a confident and successful start to Sixth Form, students should download and complete our transition resource pack from the website preparing them for Sixth Form.

If you have any further questions about Sixth Form, please email:

NAC-sixthformadmin@nottinghamacademy.org

Enjoy the rest of your summer and we look forward to enrolling you at Nottingham Academy Sixth Form, Greenwood Road Site (Primary entrance), NG3 7EB on Thursday 3 September 2026, between 9.30am and 11.30am.

Yours sincerely

S Merrill
